Data Services PRR

```
graph TD; A[ConnRiskReview  
extract data  
on 15th at 1:30 am] --> B[(Prr_extract.dat)];
```

The diagram illustrates the process of extracting data from the ConnRiskReview system. A rectangular box at the top contains the text "ConnRiskReview", "extract data", and "on 15th at 1:30 am". A downward-pointing arrow connects this box to a cylinder-shaped database symbol labeled "Prr_extract.dat". A vertical line extends from the bottom of the cylinder to a dashed horizontal line at the very bottom of the slide.
