

PB - Weekly/Monthly Systems Flow (flowpb1a)
Load weekly/monthly Problem Loan Customer table

Last Updated Date: 03/06/11 By: HS

MVS

@jobname These jobs run last business day of the week but NOT when the last business day of the week and last business day of the month fall on the same calendar day.

#jobname These jobs run last business day of the month and create the Problem Loan customer snapshot

%jobname These jobs run last business day of the month

You will see that wherever there is a @jobname on the flow there is a %jobname job opposite.
